

“AROUND TOWN”

AN UPDATE ON NEWS AND EVENTS FROM
PORT CHARLOTTE/NORTH PORT
AND THE SURROUNDING AREA

January 2020

All public transportation is not the same!

The public transportation we enjoy in Port Charlotte/North Port is unlike anything our residents and future residents are accustomed to or can expect in the cities where they lived or live in up north.

Just imagine the luxury of shared ride curb-to-curb transportation throughout Charlotte County which connects to the Sarasota County Area Transit (SCAT) system. You can even call and reserve a ride up to 24 hours in advance! Transit fares are only \$2.00 per one-way ride to anywhere in Charlotte County. An additional charge of \$1.25 each way is added if riders connect to SCAT which has 38 routes of their own throughout Sarasota County.

Some of the many places you can go using these public transportation systems include the airport, beach, bank, restaurants, shopping, and even a doctor's appointment! You can be sure that you can arrange safe, high quality, convenient, efficient and affordable public transportation with a simple phone call!

This is just another reason why so many people are leaving the challenging and stressful conditions up North and moving to Port Charlotte/North Port.
